

Spacy

```
graph LR; subgraph Spacy; direction LR; S[Scalar] --- K[Kaskade] --- G[Generic] --- F[FEniCS] --- E[Eigen] --- A[Adapter]; end
```

The diagram illustrates the components of Spacy. A large light purple rectangle is labeled 'Spacy' at the top center. Inside this rectangle is a smaller, lighter purple rectangle. Within this inner rectangle, six white boxes with black borders are arranged horizontally. From left to right, these boxes are labeled 'Scalar', 'Kaskade', 'Generic', 'FEniCS', 'Eigen', and 'Adapter'.
